PROPORTIONAL GIVING TABLE

We are asking you to consider an intentional and proportional offering to CCBC in 2010 and 2011. The table below is intended as a guideline to proportional giving.

Use this chart when completing your worksheet and your pledge form. For example: If your income is \$800 per week and you are currently giving \$40 per week (5% of your income), an increase of 1% (to 6% of your income) would result in givings of \$48 per week.
